A summit of the children, by the children and for the children.

Happynings

Lead. By Design by empowering teams and organisations

A team of 12 school leaders revisited RLC for their second module on Empowering Teams not by chance, but by design. They have successfully implemented key practices learnt in Module 1 and shared their experiences. During Module 2, the participants engaged in expert sessions identifying actionable change points. They also took a masterclass with Commander Mukul Rathi on the dynamics of leadership. The team left enriched to foster team cohesion and elevation.

Bright Bal Gokulam Foundation, KPMG explores Riverside school for educational insights

Bright Bal Gokulam Foundation, KPMG recently visited Riverside School for an enriching one-day tour. Their experience included a school tour, classroom observation, discussions with educational leaders, and engaging interactions with the RLC team, leaving them inspired and motivated to support innovative education initiatives.

Museum of Solutions visits for touchpoint 2 to enhance its workshop experience

MuSo recently engaged in Touchpoint 2 with RLC, during which a team of 4 members spent 3 days at Riverside. The objective was to enhance workshops and witness the children's creations. This visit resulted in clearer insights and actionable strategies to implement, enriched by interactions with students and observations at maker's space.

Principals infuse RLC processes in 30 Schools of Excellence, Gujarat

Click to image to view full video

A cohort of 30 school principals showcased their ongoing efforts at Schools of Excellence in Gujarat with a dynamic month-end presentation at STTI - Secondary Teachers Training Institute, Gandhinagar. The event was exhilarating, highlighting numerous impactful RLC practices they have adopted. The most notable transformation was the remarkable increase in smiles among the participants, fostering a more responsive and connected team.

Empowering leaders from Akanksha Foundation

26 leaders from Pune, Navi Mumbai, and Mumbai embarked on a transformative 3 day Study Tour, immersing themselves in practices and processes of Riverside. The experience left them inspired and fuelled by the I CAN spirit.

24 Leaders immerse in understanding classroom practice at Riverside

During a one-day visit, 24 educators and leaders from Manav Sadhna immersed themselves in a fruitful exploration of effective classroom practices and strategies. The day included a school tour, insightful classroom observations, and engaging discussions with our school champion.

Educators from Vietnam experience inspiring 3 days at Riverside

Click to image to view full video

A group of 23 dedicated educators and leaders from Vietnam visited Riverside on an enriching 3-day educational tour. The Edutour was packed with insightful experiences, observations, and stimulating conversations. "Koffee with Kiran" emerged as a vital CANversation that facilitated meaningful dialogues, enabling them to find the answers to their personal and professional questions as leaders. Their time at Riverside left them inspired, reaffirming their belief in the boundless potential to positively impact children's lives through education.

Individual visits

Visits at Riverside provide a valuable opportunity to delve into the intricacies of our early years curriculum and explore the dynamic I CAN pedagogy, while immersing in an innovative school culture that fosters holistic learning and growth.

Two representatives from the Superhouse Group in Kanpur visited Riverside School for a tour and engaging discussions with the RLC team to explore the potential integration of Riverside's offerings into their ecosystem. They were inspired and felt enthusiastic about Riverside's innovative processes.

Jordan, an Edupreneur from Israel, immersed in a 2 day visit at Riverside, keenly observing classrooms and engaging in insightful debriefs. She also had a CANversation with Kiran Bir Sethi, delving into entrepreneurship, and observed meetings to grasp the backend processes shaping the school's ethos.

Early Learning Center

If you share the belief that children deserve a strong foundation for their learning journey, enabling them to become empowered, responsible, and empathetic global citizens upon graduation, we invite you to join us.

The Riverside Learning Center (RLC), the research and training division of The Riverside School, has introduced the I CAN Early Learning Center Franchise Model. This carefully crafted early years program is based on the principles of Play, Inquiry, and Skills, drawing inspiration from the successful practices of Riverside School's renowned I CAN Approach to learning.

RLC is seeking franchise partnerships with school leaders, entrepreneurs, and educators who share the vision for children. We encourage you to reach out to us to learn more about this opportunity.
