# FEEDBACK ANECDOTES FROM PARENTS

*“They (the children) are learning practically. They are able to express what they are learning. They are able to express in steps. They also know the weakness of the idea, so they can then improve those things.”*

*“Even I am learning from her.”*

- *Parent after seeing their child present in BHMS*

*“They have bonded together. They are helping each other.”*

*“They should do this more often!”*
