

# CELEBRATE THE CHILD: SAMPLE INVITATION

FROM BEING *CONCERNED* TO FEELING *COMFORTED* AND *CONFIDENT!*

## SAMPLE INVITATION TO PARENTS – KS 3

*“The greatest memories a person might have in their life is, childhood” - Anonymous*

Dear Parents,

Wishing you all a Happy New Year!

Prom and Sports Day have allowed us to end 2019 on a great **celebratory note**. Our children have grown immensely through this year and so we would like to take a pause and share some of our **insights and observations** on our side. We invite you to a **Celebrate the Child (CTC)** time, where we will discuss the physical, emotional, social and cognitive **growth** of our child.

The focus of this meeting will be the **well-being of the child** which will enable him/her to continue to grow into a confident individual.

We would like **both parents** to be present for this meeting. If the meeting is scheduled before or after school hours, the child will be required to come early or stay back for it.

Kindly note, we will be starting the CTC from 7<sup>th</sup> January 2020.

The schedule is attached herewith. In case, the given timing is inconvenient for you, we request you to mutually interchange with other interested parents and inform us regarding the switch.

We look forward to meeting you.

Regards,

The Key Stage 3 Team
