SAMPLE INVITATION TO PARENTS

Dear Parents,

It was wonderful to meet all of you during the home visits, where we got to **interact** with you and **understood** our students better.

It has been almost two months since the school started and there has been so much learning. It is now time to make all of it **visible** to you!

We would like to invite you for the first Making Learning Visible (MLV) of the year; where the students would like to share the **'What' and the 'How'** of their learning journey so far.

We look forward to meeting you at the MLV program.

Date: 1st September, Thursday

Venue: The Riverside School

Time: 8:30 am.

Request you to please arrive on time.

Regards,

Teachers
